

AIR SPRINGS FOR COMMERCIAL VEHICLE APPLICATIONS

MERITOR

Firestone Airide air springs are a superior product backed by leading-edge design, construction and manufacturing. They are an ideal choice for OE level replacement. And, the broad Firestone product portfolio covers virtually every commercial vehicle on the road.

Airogear air springs are an economy offering designed for the second and third owner market. The springs were developed to be competitive with many offshore brands while offering longer life.

Firestone Airide Air Springs

- 2-Year/200,000-Mile limited warranty
- Rubber fatigue life consistency of over 1,000,000 cycles in addition to corrosion prevention features
- Broad product line offering allows complete market coverage for commercial vehicle applications
- Feature the latest technical developments and improvements to maximize performance
- Made in the USA

Airogear Air Springs

- 1-Year/100,000-Mile limited warranty
- Fatigue life of rubber developed for value market such as second or third owners
- Provides moderate protection against corrosion
- Available in single or pallet quantities to complement our existing line of Meritor suspension products
- Made in the USA
