WHEEL BEARINGS

Case hardened steel- allows the bearing to have a better load capacity and is less likely to fracture under shock loads.

Phosphate coated cage- is specially engineered to prevent corrosion of the cage and contains lubricating properties which help prevent friction between the cage and rollers.

Superior microfinish on rollers and runways- reduces heat and provides longer life.

ISO 9001 certified.

OEM approved and quality certified.

WHEEL SEALS

INTERCHANGEABLE WITH C/R, NATIONAL, STEMCO AND MERITOR
OEM APPROVED

Superior axle shoulder coverage- with integral axle ring.

Triple-lip dirt exclusion system.

Superior graphite-loaded rubber compound- on one piece seals.

Rubber impregnated leather- on two piece seals.

Lubricant compatibility- performs with all TMC recognized hub lubricants.

Large vent holes- allow lubricant to flow to and from the seal.

Reinforced outer seal casing.

Built-in end play feature- helps compensate for bearing end play.

All popular one-piece and two-piece oil/grease/bath seals available.

No Tools Required.

S & S WARRANTY

All Air & Hydraulic System Components covered in this catalog are warranted for one (1) year / 100,000 miles from installation, or 18 months after purchase from S & S Truck Parts, Inc., whichever comes first. We warrant all new parts against defective material or workmanship when such parts are used in appropriate applications. We will NOT extend this warranty to parts where failure or damage was caused by misapplication, accident, or abuse.

Unless otherwise stated, authorization from your salesperson is required to initiate any return for warranty. If our examination shows the parts to be defective, we will replace such parts free of charge. This warranty extends solely to replacement of defective parts; we disclaim liability for labor and/or special or consequential damages of any nature.

If it is necessary to return any parts under this warranty, the buyer agrees to wait for settlement of his claim before any deductions are made in payments to S & S. Any expenses incurred without the consent of S & S will be disallowed.

Established in 1954, S & S Truck Parts, Inc. is one of the largest independent suppliers of replacement truck parts in the world. Under the **NEW★STAR** label, S&S supplies many of the fastest-moving parts in the following categories: Air & Hydraulic Brake, Chassis, Driveline, Drive Train including Axle & Transmission, Power Steering, PTO and Military.
