S & S WARRANTY

We warrant all new parts against defective material or workmanship when such parts are used in appropriate applications. We will NOT extend this warranty to parts where failure or damage was caused by misapplication, accident, or abuse.

Unless otherwise stated, authorization from your salesperson is required to initiate any return for warranty. If our examination shows the parts to be defective, we will replace such parts free of charge. This warranty extends solely to replacement of defective parts; we disclaim liability for labor and/or special or consequential damages of any nature.

If it is necessary to return any parts under this warranty, the buyer agrees to wait for settlement of his claim before any deductions are made in payments to S & S. Any expenses incurred without the consent of S & S will be disallowed.

Established in 1954, S & S Truck Parts, Inc. is one of the largest independent suppliers of replacement truck parts in the world. Traditionally known as a drive train gear specialist, S&S has aggressively expanded its product range.

Under the **NEWSTAR**™ label, S&S supplies many of the fastest-moving parts and components in the following categories: Powertrain, Transmission, Differential, Chassis, Drive Line, Hydraulic, PTO, Power Steering, Body Parts, HVAC and Air Brake Parts.
