MISSION STATEMENT

Here at United Pacific, we are dedicated to providing today's drivers with innovative and exciting products that deliver exceptional performance and value. Because United Pacific's continuing success depends on our customer's satisfaction, we constantly push our designers and engineers to upgrade our facilities and processes in order to bring products of superior quality and reliability to the market. We at United Pacific promise to continue our passionate pursuit to be the first in

QUALITY, INNOVATION AND DESIGN.

QUALITY

With over 30 years of experience in the heavy duty trucking industry, United Pacific Industries understand the rigors and stresses that our products are subjected to on the road. It is our mission to provide our customers with products of superior quality and reliability. In achieving this goal, United Pacific only partners with manufacturing facilities that conforms to our quality control requirements and standards. Our manufacturing partners meet or exceed ISO-9001 requirements. In addition, United Pacific's manufacturing partners must be equipped on site to perform the following quality assurance tests:

AGING TEST

AIR TIGHT TEST

DUST TEST

FLUX TEST

PHOTOMETRIC TEST

PULL FORCE TEST

RAIN TEST

SALT SPRAY TEST

SHOCK TEST

TEMPERATURE TEST

HUMIDITY TEST

VIBRATION TEST

United Pacific's manufacturing partners must maintain a track record of consistent quality and low product failure rate. Furthermore, our internal quality control structure allows us to function as the final quality control station prior to shipping. With the assistance of 3D computer technology, United Pacific can adhere to strict quality control standards during prototype creation and the production process. Our engineers and technicians perform a battery of tests to ensure that our products meet the demands of today's drivers and our goal to be first in quality.

HOW TO ORDER

To order from United Pacific Industries, you must be an authorized dealer, distributor or OEM.

INNOVATION

Known as the leader in innovation, United Pacific is dedicated to be the first to bring new and exciting products to the market. United Pacific's global expertise allows us to search the globe for new ideas and concepts. Not only do we search the globe for new products, United Pacific invest a significant amount of resources into our own research and development efforts.

With the assistance of advance 3D scanning technology, our engineers and designers can acquire accurate and precise data in seconds. The 3D data allows United Pacific to verify designs, perform quality assurance tests, and reverse engineer with unprecedented speed and accuracy. Digital inspection contributes to the early detection of shape problems, provides rapid feedback on design, and eliminates unnecessary work in downstream processes. Our rapid prototyping facility permits us to have a concept-to-shelf time of less than 5 months.

In addition, United Pacific's 3D printing capabilities permit our designers to have physical models of their design concepts in hours. The physical models allow our designers and marketing staff to evaluate and test the viability of different design ideas. Our rapid prototyping facility allow United Pacific to compress design cycles, improve manufacturing planning, shorten concept-to-shelf time, most importantly, generate new and innovative products.

DESIGN

Located near some of the nation's most progressive automotive design centers, United Pacific established the UP Design Studio in 2002 to consolidate our position as the design leader in the heavy duty trucking industry. UP Design Studio utilizes the latest generation of computer aided design (CAD) and studio/graphic softwares. The design studio is equipped with the newest computers and rapid prototyping systems. In addition, UP Design Studio is staff by graduates from the nation's most prestigious design colleges.

Unlike our competitors, United Pacific's design and manufacturing capabilities mean that we carry more new and original items than our competitors. The establishment of the design studio will enable us to generate even more new products with significant shorter concept-to-shelf time. The reduction in development cost mean that we can develop products utilizing design based development processes. Design based product development allows United Pacific to create new product concepts base on designs incorporating driver demands and needs instead of economic considerations. United Pacific's emphasis on design distinguishes and positions us ahead of our competitors.

Light Emitting Diodes (LED)

Low voltage Operation

A low voltage device, LEDs draw minuscule amount of current from a vehicle's electrical system compared to incandescent devices. Low voltage draw protects and prolongs a vehicle's electrical system.

Instant On

LEDs light up in microseconds. Research conducted by the University of Michigan Transportation Research Institute indicates that motorist respond quicker to LEDs than incandescent lights.

Rugged & Durable

Being a solid-state device, LEDs contain no moving parts and filaments to break. Produced with similar technologies as the latest microprocessor, LEDs provide unparalleled reliability and dependability.

Cold Start Capacity

Unlike many light sources in use today, LEDs do not require any special drivers or equipment to operate in extreme cold temperature. Solid State technology allows LEDs to function in inhospitable environments, down to -40°.

WARRANTY

With LEDs (Light Emitting Diodes) rated at 100,000 hours of operation and solid-state construction, United Pacific's LED lights are extremely reliable and durable. United Pacific offers a 10 Year Limited Warranty on most LED lights. Economy LED lights are only covered by a 2 Year Limited Warranty. All LED accessory lights are covered by a 6 Month Limited Warranty.

INVENTORY & SHIPPING

United Pacific carries over 20,000 items in our California distribution center. No other company in the heavy duty trucking industry can match United Pacific in the variety and range of in-stock inventories. With an order fill rate of over 98.5%, United Pacific is the largest and most reliable supplier in the industry. Our shipping department ships 96.8% of all orders within 24 hours and 98.9% within 48 hours. United Pacific's vast inventory and prompt shipping has made United Pacific the only source for our customer's chrome and lighting needs.

ASSEMBLED IN U.S.A

United Pacific strives to provide today's drivers with innovative and exciting products that deliver exceptional performance and value. With our international background and expertise, we search the globe for the best and most reliable products. However, as an American company, we believe and support the American way of life. Look for the "Assembled in the USA" label on many of our products. Although the components are manufactured overseas, the products, bearing the "Assembled in the USA" labels, are hand assembled with pride in the United States.

WEBSITE

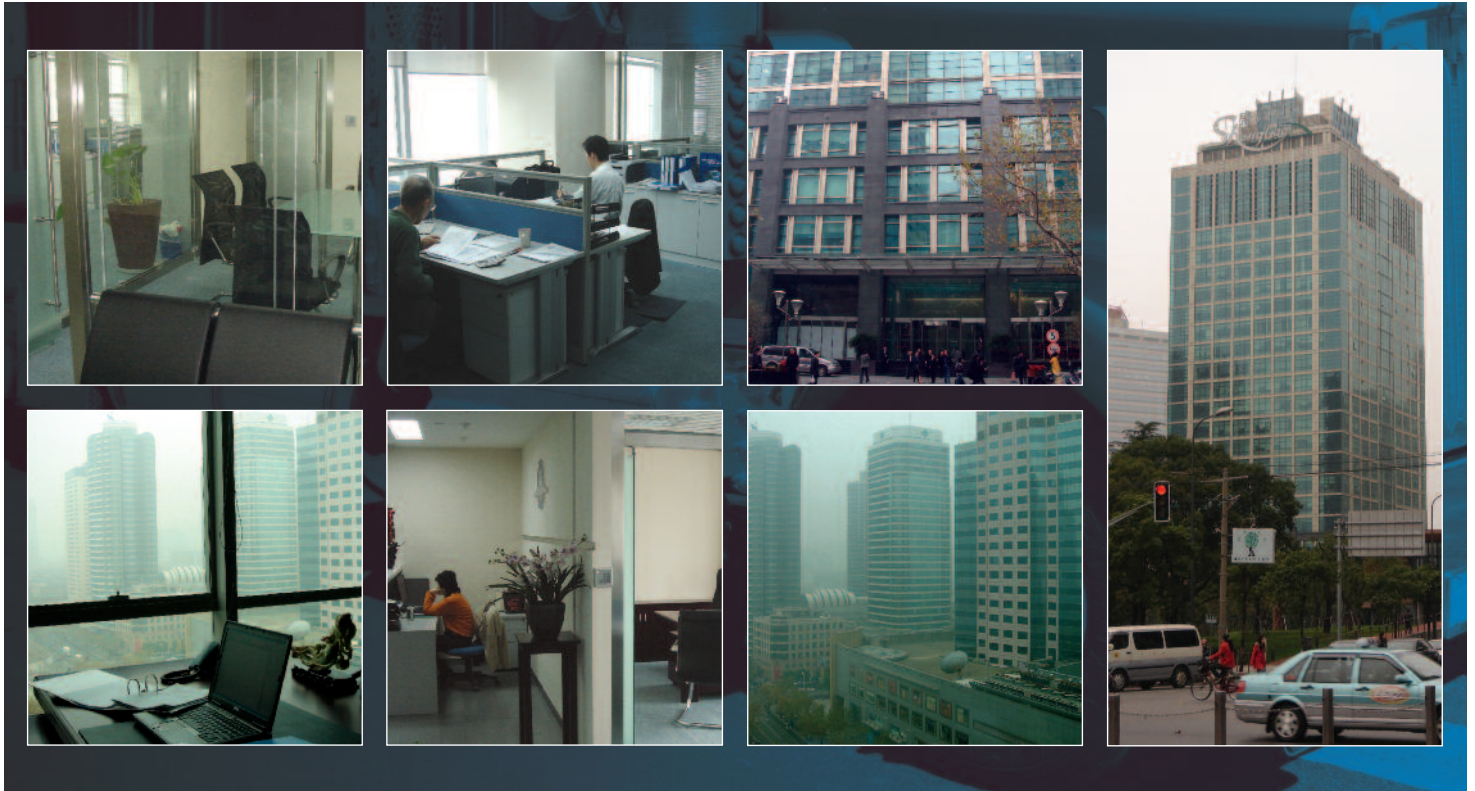

United Pacific strives constantly to improve our existing facilities and procedures. As a part of our continuous improvement process, United Pacific will soon be updating our website. The new website will be even more comprehensive and in-depth. In addition, we will incorporate an online ordering system that will enable our customers to order and receive shipping updates online. The online ordering system will only be available to authorized retailers. The new website is just another example of United Pacific's ceaseless pursuit to be our customer's only source for their chrome and lighting needs.

Hard at work for our customers

UNITED PACIFIC SHANGHAI

In 2005, United Pacific opened United Pacific Shanghai. Staffed with 3 quality assessment engineers and 2 logistic support personnel, United Pacific Shanghai serves as United Pacific's quality control and logistics office in China. Located in the commercial center of China, the Shanghai office provides United Pacific with unparalleled access to local markets and suppliers. The open access translates into faster product development and more rigorous quality control standards. The opening of the Shanghai office means that there will be a United Pacific employee hard at work for our customers 24 hours a day in different parts of the world.

UNITED PACIFIC CHROME PLATING

United Pacific's commitment to quality led United Pacific to invest in its own chrome plating facility. With one chrome plating line fully operational and another in construction, the chrome plating plant will ensure that United Pacific products meet our strict quality control standards. Better products mean better sales for United Pacific customers.

Hard at work for our customers

UNITED PACIFIC JOINT VENTURE

Here at United Pacific, collaboration is at the heart of our business. We partner with manufacturers that are as passionate about well-made and well-designed products as we are. In 2006, United Pacific entered into the ultimate collaboration. United Pacific formed a joint venture with China's largest manufacturer of heavy duty trucking products. The joint venture currently supplies all major American and Canadian aftermarket distributors (including United Pacific competitors) with stainless steel, chrome, and exhaust products. Because of our collaborative approach to product development and manufacturing, we're able to eliminate undue inefficiencies and cost. As a result, United Pacific customers benefit from unique products that are offered at the best possible price and the highest possible quality.

TERMS & CONDITIONS / ORDERING GUIDELINES / FREIGHT

IMPORTANT: PLEASE REVIEW CAREFULLY

New Accounts

Initial minimum buy-in is \$2,000 (or to be determined by United Pacific Industries, UPI hereafter). All initial orders must be prepaid in advance by Cashier's Check or VISA/MC. All new/potential accounts must complete a UPI "New Customer Info/Credit Form" and follow the Dealer Qualification Instructions. Upon completion of the credit application, approved accounts will be assigned payment terms of NET 30 Days (from invoice date). Accounts denied a credit line will be required to prepay in advance by Cashier's Check or VISA/MC.

Payment Terms:

Term Accounts

Accounts with NET 30 Days terms are required to submit payment within the 30 days from the date of invoice. Acceptable forms of payment include checks, ACH (Automated Clearing House), or wire transfer.

A service charge of 1.5% per month will be imposed on invoices not paid within the 30 day term. Delinquent accounts will be required to pay Cash-In-Advance (CIA). Checks will be accepted but orders will not be released until the check is cleared by the bank. Past due invoices will delay current orders. Please check with UPI on your account status when placing an order.

Credit Cards

Accounts denied credit terms may pay by Visa or MasterCard. Credit card will be charged upon shipment. Credit card payments will not be accepted once an order has been shipped. UPI does not accept American Express or Discover card.

COD

A \$9.00 fee will be assessed per COD box for all FedEx/UPS COD shipments. Truck COD shipment fees are to be determined later by trucking company.

Returned Checks:

A \$30 NSF (Non Sufficient Fund) fee will be assessed on each incidence a check is returned to UPI.

ORDERING GUIDELINES

Placing Orders: New orders may be placed by any of the following methods

1. Fax: (310) 638-6287
2. E-mail: sales@uapac.com

3. Telephone: In order to minimize errors, customers are encouraged to submit their orders by fax or email. Telephone orders should be limited to smaller orders such as add-ons to orders already submitted and/or fill-ins occurring between larger restocking orders.

Changes to Orders:

Whenever possible, revisions to orders - additions or deletions of items - should also be submitted via fax or email to reduce the possibility of errors.

Additions/Deletion of items will only be accepted within 48 hours after the initial order date and/or before 12:00PM on the date of the shipment.

Additions of items placed after the 48 hours time period will be considered a new order and adhere to a new order freight prepaid policy. Deletions of item cannot happen after the 48 hours time period and/or after 12:00PM on the date of the shipment. Please note additions and/or deletions of items will delay the shipment date.

Canceling Orders:

Cancellation of orders must be submitted via fax or email within 24 hours of the order date. If the order has already shipped it will be the customers responsibility to return the order at the customers own expense. A restocking fee may apply, please see "Return" policy for further detail.

Backorders:

Customers have the option of having their backorders shipped or cancelled. Backorders resulting from a freight prepaid qualifying order will be shipped freight prepaid. UPI reserves the right to cancel backorders that are 6 months or older from the initial invoice date.

Minimum Order:

A minimum order of \$50.00 is required. Orders below \$50.00 will be assessed a minimum order fee of \$10.00.

Packaging:

A 10% service charge will be added to orders with special packaging or UPC barcoding requirements.

Lead Times:

Standard lead time for all United Pacific orders is 1-3 business days from the receipt of the purchase order. Larger orders may require a lead time of up to 5 business days. Transit time of 3-5 business days must be considered when placing orders. UPI cannot be responsible for delays in shipment after an order leaves our warehouse. UPI will work to resolve delays with freight forwarding firms, however, delays do arise from time to time due to weather and unforeseen circumstances beyond UPI's control. Express order are exempted; please view Freight/Shipping Policy for further detail.

Order Confirmation:

United Pacific will acknowledge receipt of orders by email/fax/telephone within 1 business day of receipt. If confirmation is not received, please contact UPI to ensure your order was received.

FREIGHT

Prepaid Freight:

Stock orders between \$50 and \$999.99 (US Lower 48 States), **\$50 and \$2499.99 (Alaska and Hawaii)**, **\$50 and \$1499.99 (Canada)**, [all price net US\$], will be shipped FOB Carson, California. Stock orders of \$1,000 (US Lower 48 States), **\$2500 (Alaska and Hawaii)**, **\$1500 (Canada)**, [based on UPI current pricing], or more will be shipped Freight Prepaid Ground to a single location only. (See exception for Oversize Items*). *Express Air orders, Special Net Pricing orders, and Special Quote Pricing orders are excluded.* United Pacific reserves the right to select the carrier of our choice. Customers may select the carrier of their choice at their own expense, negotiated rates and insurance. If customers elect to choose their own freight carrier, orders will be shipped via FREIGHT COLLECT.

***Oversize Item Freight Policy** - Applies to PB 379 Front Fenders, 60" or longer exhaust, and 18" or longer Saddle Boxes. 2 Options:

1. Freight will be prepaid by United Pacific if the total order of all items exceeds \$4,000 (US Lower 48 States) or **\$5000 (Hawaii, Alaska and Canada)**, [all price net US\$]. There will not be additional charges for these items included on the order.
2. Freight will be prepaid by United Pacific if a customer orders a total of \$2,500 (US Lower 48 States) or **\$3500 (Hawaii, Alaska and Canada)**, [all price net US\$], of PB 379 fenders, 60" or longer exhaust, and/or 18"+ Longer Saddle Boxes only. If the order is below \$2,500 (US Lower 48 States) or **\$3500 (Hawaii, Alaska and Canada)**, United Pacific will add freight charges to the order for the oversize items.

Will Call Orders:

Will Call orders can be picked up 2 - 4 hours after placing the order. Customers should always call ahead to confirm when order will be ready to pick up.

SHIPPING POLICY / CLAIMS

IMPORTANT: PLEASE REVIEW CAREFULLY

SHIPPING POLICY

International Shipments:

Shipments to locations outside the continental United States will be shipped to the customer's shipping agent or broker within the continental United States in accordance with the US freight policy. International customers will be responsible for the duties and taxes of their respective country.

Express Orders:

All express orders, such as Next Day, Second Day, 3 Day Service & Will Call, must be faxed/emailed. Order confirmation will be faxed to the customer for final approval. If confirmation is not received, please contact UPI to ensure your order was received. Customers are required to sign off on express orders and fax confirmation back to UPI. Cut off for express order is 12:00PM. Express orders received after 12:00PM may or may not ship the same day. Please call UPI to confirm projected shipping date or will call time.

Due to the high cost of express shipments, customer may request UPI to call to confirm freight charges. If customer does not request confirmation, UPI will ship the express order.

Drop Shipments:

All drop shipment orders will be assessed a \$10.00 processing fee. Drop shipment processing fee will be automatically added to the invoice without notice. All drop shipment orders must be faxed in. No freight allowance or prepaid freight will be permitted for any drop shipments, thus, all drop ship orders, regardless of order size, are FOB Carson, CA.

CLAIMS

General Policy:

All claims (Shortage, Mis-Shipped, Damage, Overage, Customer Error & Billing Error) must be submitted to UPI within 3 business days of the receipt of shipment. Claims submitted beyond 3 business days of the receipt of shipment will be voided by UPI.

On all shipments, the person who signs and receives the shipment is responsible for noting on the Bill of Lading, in writing, whether any boxes arrived damaged or shorted. Failure to do so will void all claim rights between all parties. UPI will have no recourse against the trucking company if customer does not note any damages or shortages on the Bill of Lading.

The customers receiving department must count and sign for the exact number of boxes received. Failure to follow the above instructions will void all claim rights between all parties.

Shortages / Mis-Ships / Damages

While UPI strives to fill every order with 100% accuracy, on occasion an item may get shipped in error or get damaged during shipping. In the event this occurs, please follow the process below. Note: This type of claim must be reported to UPI within three (3) business days of receiving the order.

- Contact the United Pacific office to initiate the claim. To make it easy for you we have two acceptable methods for requesting the claim:
 - * By e-mail : returns@uapac.com
 - * By fax : **(310) 638-6287**
 - * **Note: To ensure you receive a timely credit, we cannot accept claim requests by phone.**
- You will be required to provide the following information:
 - * Your business name
 - * Contact name and telephone number (in case we have questions)
 - * Date the order was received

- * A copy of the Packing List / Invoice noting the item number and quantity that was shipped in error or damaged during shipping.
- * Special instructions you have for us.

- UPI will send a return label so you can ship the items back.
- Once we receive the miss-shipped/damaged item(s) a credit will be issued to your account on the next billing cycle.
- Shortages will be credit to the Customers' account, unless customer would like the shortages replaced.

Overages:

UPI strives to provide our customers with the best customer service and products, in turn we would greatly appreciate any help from customer in notifying UPI of any shipping overages. Customers will be offered the option of retaining the merchandise or returning the merchandise to UPI at UPI's expense. If the items are to be returned, an RMA number and return shipping label will be provided.

Customer Errors:

Any item or quantity ordered in error by the customer may be returned by contacting UPI for a RMA No.

- To make it easy for you we have two acceptable methods for requesting the RMA:
 - * By e-mail: returns@uapac.com
 - * By fax: **(310) 638-6287**
 - * **Note: To ensure you receive a timely RMA credit, we cannot accept RMA requests by phone.**
- You will be required to provide the following information:
 - * Your business name
 - * Contact name and telephone number (in case we have questions)
 - * A list of the items number and quantity ordered in error
 - * Special instructions you have for us
- UPI will review the request to ensure the products are within the return period.
- Once we have validated the request, United Pacific will issue an RMA number to the customer. In issuing the RMA approval, the following conditions will apply :
 - * Returned items are subject to a 20% re-stocking fee.
 - * Return shipping costs are the responsibility of the customer.
 - * Items must not have any retail/price sticker on exterior packaging or they will be returned to the customer at customer's expense and no credit given.
 - * Items must be in good condition with original packaging intact or they will be returned to the customer at customer's expense and no credit given.
 - * Allow up to 30 days for the credit to be issued from the time the returned items are received.

Billing Errors:

Billing errors should be reported to UPI within 3 business days of invoice receipt. Customers are asked to provide the invoice number, part number, and quantities in question. Once verified, UPI will issue a credit or an invoice for the difference in billing error.

WARRANTY POLICY / RETURNS

IMPORTANT: PLEASE REVIEW CAREFULLY

WARRANTY POLICY

General Policy:

UPI offers a NO HASSLE WARRANTY RETURN policy to all our customers. Warranty claims can only be submitted through an authorized UPI Distributor. UPI warranty is not transferable and applies to the original installation and purchase only. In no event shall UPI be liable for incidental or consequential damages, nor shall UPI be liable for any claims or damages arising out of or connected with the UPI warranty exceed the purchase price of the products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. UPI reserves the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warrantied products with redesigned products.

Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way or installed contrary to normal installation and usage. In addition, UPI cannot be held liable for damages caused by road hazards, accidents, misuse, neglect, abuse or corrosive environments including acid washes and highway snow/ice chemicals which can cause discoloration and corrosion in aluminum, chrome, stainless steel and light products. UPI reserves the right to credit returned merchandise at the initial purchase price or at the current selling price, which price ever is lower.

Aluminum / Chrome / Stainless Steel Products:

All aluminum, chrome, and stainless steel products carry a limited 6 month warranty (from invoice date) against defects in material or workmanship.

All returns must be authorized by UPI. All return requests must be faxed or e-mailed (returns@uapac.com) A RMA number (Return Merchandise Authorization Number) will be provided. Returns not possessing a valid RMA number are subject to rejection and will be returned to sender at the customer's expense.

All customers are encouraged to use the Warranty RMA Claim Form.

Defective Goods / Warranty Return:

UPI offers our customers a No Hassle Warranty Return. Please follow the instructions below for requesting a RMA for defective goods:

- If any warranty issues occur, simply contact the UPI for RMA number To make it easy for you we have two acceptable methods for requesting the RMA:
 - * By e-mail: returns@uapac.com
 - * By fax: (310) 638-6287

*** Note: To ensure you receive a timely RMA credit, we cannot accept RMA requests by phone.**
- You will be required to provide the following information:
 - * Your business name
 - * Contact name and telephone number (in case we have questions)
 - * A list of the defective item number and quantity with the nature/reason of the defect
 - * Special instructions you have for us

* The enclosed fax form may be used for your convenience to request an RMA

- UPI will review the request to ensure the products are within the stated warranty period.
- Once we have validated the warranty items, a RMA confirmation, listing the items and cost will be faxed to the customer within 3 business days. UPI will process the credit to your account within 30 days.

Note: There will be no need to return the warranty product to us. However, from time to time, UPI may require some warranty products to be shipped back so we may analyze the cause of the failure. All warranty products that are required to be shipped back will be freight prepaid by UPI.

Stock Return

United Pacific Industries encourages all customers to regularly monitor the sales volume and stock level of their inventory items. As sales trends may slow the movement of specific items, our hope is that those items are featured as "close-out specials" as to minimize stock returns. We also understand that the customer, from time to time, may accumulate over-stock items and desire to return those. Therefore, we have adopted the following policy below.

NOTE:

- * Items must have been purchased by the dealer requesting the stock return.
- * Items must have been purchased within the preceding 12 months.
- * Items that have been discontinued will not be considered for return.

- Contact the United Pacific office for RMA number We have 2 acceptable methods for requesting the RMA:

By e-mail : returns@uapac.com

By fax : (310) 638-6287

Note: To ensure you receive a timely RMA credit, we cannot accept RMA requests by phone.

- You will be required to provide the following information:

- * Your business name
- * Contact name and telephone number (in case we have questions)
- * A list of defective items: Item numbers and quantity of each
- * Special instructions you have for us

- Your claim will be reviewed within 5 business days and you will be contacted by your sales representative who will discuss solutions to liquidate these slow moving items.
- In the event United Pacific and the customer agree to a credit in lieu of returning the items, this credit will be issued within 10 business days.
- In the event items are returned by the customer, United Pacific will issue an RMA number to the customer. In issuing the RMA approval, the following conditions will apply:
 - * Returned items are subject to a 20% re-stocking fee.
 - * Return shipping costs are the responsibility of the customer.
 - * Items must not have any retail/price sticker on exterior packaging or they will be returned to the customer at customer's expense and no credit given.
 - * Items must be in good condition with original packaging intact or they will be returned to the customer at customer's expense and no credit given.
 - * Allow up to 30 days for the credit to be issued from the time the returned items are received
- Stock returns may be requested throughout the year and are subject to a maximum of 5% of prior year annual purchases.

DISCLAIMER

United Pacific Industries reserves the right to amend or update our Policies & Procedures without notice.
